Dear LI Express Members,

I have practiced Oral & Maxillofacial surgery since 1994 in Suffolk County and have opened a new office in Smithtown. My office is brand new, state of the art and specializes in services that might be of benefit to you or your dependents. As a benefit of membership I have partnered with LI Express, and will offer my services at a 20% discount for those who do not have dental insurance; I presently participate with many insurance plans for those who are insured. I will also offer a 20% discount on dental implant treatment with reduced consultation fees. My office specializes in extraction of wisdom teeth, placement of dental implants, 3DCT scanning, and all facets of oral and maxillofacial surgery.

Should you wish to visit my office to discuss possible treatment please do not hesitate to call us; I will be happy to assist you however possible. Please speak with Roslyn at my office for further information you require or leave a message for me and I will return your call.

Warmest Regards,

Alex Montazem, DMD
